**OBSERVATIONS:**

- Ohio counties are listed in alphabetical order.
- Counties are divided into various groups for statistical analysis.
- Each county's data represents the number of poultry products sold for the years 1964 and 1959.
- The data includes columns for counties, total sales, and specific product categories for each year.

**NOTES:**

- The data is tabulated for ease of comparison and analysis.
- The totals across years and counties provide a comprehensive view of the poultry products sold during the specified period.
