</table>

- Woodland not harvested or not pastured
- Other pasture not harvested
- Crops grown on
- Other pasture not harvested
- Improved pasture
- Other pasture not harvested
- Neat cropland
- Other pasture not harvested
- All pasture not harvested
- All pasture not harvested
- Food and feed crops
- All pasture not harvested
- Total acres
- Woodland
- All pasture not harvested
- Other pasture not harvested
- Irrigated land in farms

**Notes:**
- Not available.
- For the censuses of 1964, 1959, and 1945, the same year, for all other censuses, in the calendar year preceding the census.
- Not fully comparable for the various census years because of differences in definition of cropland used only for pasture. See text.
- Irrigated cropland harvested only.

- Acreage of irrigated crops, including some duplication where two or more crops were harvested from the same land.
