## Table 32. Summary by Age and Principal Occupation of Operators for Farms With Sales of Less Than $20,000: 1978

This table provides a summary by age and principal occupation of operators for farms with sales of less than $20,000 in 1978. It includes data on farms with sales of less than $20,000, farm operators by age, race, and tenure, as well as land and housing information. The table is divided into sections for different types of farms, operators by age, and tenure, and includes land and housing data. The data is sourced from the United States Census of Agriculture for 1978.
