**Note:**

- The table provides detailed data on cattle and calves, including inventories and sales for 1978 and 1974. It categorizes the information by forms number for different types of cattle and related statistics. The data includes steers, bull calves, and all other cattle categories. The totals are summarized at the end of the table.

**Sources:**

- The data is compiled from various sources including individual states and other regions, providing a comprehensive overview of cattle and calf production and sales.
