### Table 1. Farms, Land in Farms, and Land Use: 1982 and Earlier Census Years

The table presents data on the distribution of land in farms across different categories and values. Columns include years from 1950 to 2000, with specific data for 1982. The data is categorized under various headings such as Total woodland, Other land, Farms by value of land and buildings, and Farms by acres harvested. The table provides figures for cropland, woodland, pasture, and other land types, along with acres, value per farm, and dollars.
