1/ While the Bureau feels assured of the completeness and accuracy of the total stocks of poultry reported, it cannot vouch for the accuracy of the figures for the various classes of chickens. There are a number of concerns who find it impracticable to make segregation on their reports. Consequently, there will be some fryers included in the figures for broilers, roasters and possibly miscellaneous poultry.

2/ Figures on miscellaneous poultry no longer comparable in that ducks were included in these figures previous to July 1, 1932.

A. G. Black, Chief of Bureau.
