of Agriculture

Washington, D.C.  
20250

Released: July 27, 1976  
3:00 P.M. ET

## JUNE PEANUT STOCKS UP 9 PERCENT OVER A YEAR EARLIER

Peanut stocks held commercially on June 30, 1976 totaled 1,084 million pounds of equivalent farmers' stock, 9 percent more than a year ago. Actual farmers' stock peanuts accounted for 372 million pounds of this total, 15 percent less than last year. Actual farmers' stock includes that portion of 1,012 million pounds of 1975 crop CCC farmers' stock peanuts contracted for crushing that were not yet crushed. Shelled peanuts on hand at month's end totaled 674 million pounds of equivalent farmers' stock and roasting stock totaled 38 million pounds. There were no Commodity Credit Corporation uncommitted stocks on June 30, compared with 227 million pounds last year.

Shelled peanut stocks on June 30 totaled nearly 507 million pounds, of which 425 million pounds were edible grades and 81 million pounds were oil stocks. By types, edible grades consisted of 87 million pounds of Virginias, 229 million pounds of Runners and 109 million pounds of Spanish. There were no edible grade peanuts in cold storage pending export on June 30 compared with 18 million pounds in 1975.

## MILLINGS FOR JUNE UP 55 PERCENT FROM LAST YEAR

June millings totaled 177 million pounds, 55 percent more than were milled during June a year ago, but 50 million pounds less than May 1976. Millings by types were as follows: Virginias, 11 million pounds; Runners, 151 million pounds; and Spanish, 15 million pounds.

## EDIBLE USES LOWER--CRUSHINGS NEARLY TRIPLE

During June, commercial processors utilized 98 million pounds of shelled edible grade peanuts in the manufacture of primary products, 2 percent below the June 1975 total. Salted peanuts and peanut butter uses were down while all other uses were up.

Crushings for oil, cake and meal totaled 150 million pounds during June, nearly three times the 52 million crushed last year. The large crushing total reflects the increase in the CCC toll crushing program.

No deliveries of peanut butter were made in June under the Government Food Distribution Program for needy families and child nutrition.
